

AMENDMENTS TO THE CLAIMS

Please enter the amendments as shown below. Deletions are indicated by strikethrough.
This listing of claims will replace all prior versions and listings of claims in the application.

1-14. (Canceled)

15. (Currently amended) A method for treating hypercytokinemia, comprising administering to a subject in need of such a treatment an effective dose of riboflavin sodium phosphate, ~~or flavin adenine dinucleotide, or a pharmacologically acceptable salt thereof~~ to increase the survival rate of the subject.

16-18. (Canceled)

19. (Currently amended) The method of claim 15, wherein the riboflavin sodium phosphate, ~~or the flavin adenine dinucleotide or the pharmacologically acceptable salt thereof~~ is in the form of an injection, tablet, granule, powder, subtle granule, capsule, pill, or oral liquid.
